*No more, will I be
A decision you come back to when you're free
We go, back and forth
Had me hanging on your words my arms are sore*

*Been crying a little lately, crying a little late-
Your love got me going crazy
My mother never raised me to
Fall for you*

*Been crying a little lately, crying a little late-
Your love got me going crazy
My mother never raised me to
Fall for a fool like you*

*Mmmm...
Mmmm...*

*I've grown, my friends applaud
Learned my lesson though my teacher was a fraud
No more, will I be*

So engulfed in my emotions I am stronger I'm unbroken

*I've been smiling a little lately, smiling a little late-
You're pining a little lately, my mother knew to raise me right
How to fight
Been smiling a little lately, smiling a little late-
You're pining a little lately, my mother knew to raise me right
How to fight
How...*

Ohhh...

Hmm...
